

African Standard Network Cabinet Brands

AI Overview

Leading African network cabinet brands include E-Abel, CPS Technologies, Modac, AdleRac, Hitech Gregfor, and McWade, offering durable and customizable server and network enclosures. Key Brands and Manufacturers

1. E-Abel E-Abel is a prominent manufacturer of electrical enclosures and control panels, providing customized solutions for data centers, telecommunications, and industrial applications. Their cabinets are built to international standards, ensuring durability and reliability, and they are known for tailored solutions for complex infrastructure needs.
2. CPS Technologies Based in Midrand, South Africa, CPS Technologies specializes in floor-standing and wall-mounted server cabinets, network racks, and outdoor enclosures. Their products include IP55-rated Aries Air Indoor Cabinets designed to protect and cool sensitive equipment in harsh environments. CPS also offers heavy-duty cabinets capable of supporting server loads exceeding 1.2 tonnes.
3. Modac Modac has over 30 years of experience in server and network racks, cabinets, and enclosures. They focus on efficient airflow and temperature management, crucial for data centers. Modac also provides data center design, construction, and monitoring services, making them a comprehensive solution provider for server room infrastructure.
4. AdleRac (Falcon Electronics) AdleRac is one of South Africa's oldest server cabinet manufacturers, offering wall-mount boxes, server racks, and IP-rated cabinets. They provide fully integrated and customized racking solutions for IT infrastructure, including data center applications.
5. Hitech Gregfor Established in 1992, Hitech Gregfor manufactures network racks, cable management systems, and PDUs. They also provide data center solutions and customized rack designs to meet specific client requirements across Africa.
6. McWade McWade offers a wide range of indoor and outdoor rack cabinets and telecommunications products. They provide tailored solutions for unique infrastructure needs, supporting both standard and custom projects.
