

Bahamas Custom Mesh Cable Tray Prices

AI Overview

Wire mesh cable trays in the Bahamas typically range from \$2 to \$25 per meter, depending on material, size, and customization, with local suppliers offering tailored quotes. Local Suppliers and Options: Jeetmull Jaichandlall (P) Ltd. Offers high-quality wire mesh cable trays in various sizes, shapes, and colors. Manufacturing is done on-site with modern equipment, ensuring adherence to industry standards. Known for customization to meet specific industry requirements and global service capabilities. Brilltech Engineers Pvt. Ltd. Provides durable cable trays made from galvanized steel, stainless steel, and fiberglass. Focuses on safety, airflow, and cable protection, suitable for both small and large projects. Micro Sheet Crafts Offers modular and customized cable trays fabricated from high-grade steel. Competitive market pricing with quality assurance and on-time delivery. Price Factors: Material: Galvanized steel is cost-effective, stainless steel is more expensive, aluminum is lightweight but pricier, and plastic is budget-friendly but less durable. Tray Type: Wire mesh trays are generally cheaper than ladder or solid-bottom trays and are ideal for lightweight wiring. Size and Load Capacity: Wider or thicker trays increase material costs. Surface Finish: Powder coating, HDG, or pre-galvanized finishes affect durability and price. Order Quantity: Bulk orders can reduce per-meter costs by 20–40%. Shipping and Installation: Local delivery in the Bahamas may add to the total cost, especially for heavier trays. Estimated Pricing: Wire Mesh Cable Tray: \$2–\$15 per meter for standard sizes and materials. Galvanized Steel Ladder Tray: \$10–\$25 per meter depending on width and load capacity. Custom or CE-Certified Trays: Prices may be higher, with options for free samples and 10-year guarantees available from some suppliers. Recommendation: For an accurate price quote, it is best to contact suppliers directly with your project specifications, including: Required tray length, width, and height; Material preference (galvanized steel, stainless steel, aluminum, or fiberglass...
