

Cameroon Electrical Control Box and Distribution Box Manufacturer

AI Overview

Key manufacturers and suppliers in Cameroon include CODIREL, MARITECH, WISE ELEC, and HENTGES, offering a range of electrical control and distribution solutions for industrial, commercial, and domestic applications. CODIREL CAMEROUN, based in Douala, has been active since 1984 and is a subsidiary of the French group S.H.P.C.I. The company specializes in electrical installations, cabling, and distribution of professional and domestic electrical equipment. CODIREL provides services including audits, installation of electrical systems, and assembly of electrical control panels and distribution boards. They are particularly experienced in industrial and challenging environments such as oil platforms, heat-intensive industries, and generator systems, ensuring high-quality and safe installations. MARITECH MARITECH is a trusted distributor of electrical materials and distribution boxes in Cameroon and the surrounding region. They offer a wide range of products including coffrets and armoires (Resi9, PrismaSeT, Kaedra, Thalassa) and protective devices like Easy9, Acti9, and ComPact NSX. Their solutions cater to domestic, commercial, and industrial applications, providing robust and reliable equipment for safe energy distribution. WISE ELEC WISE ELEC, also located in Douala, specializes in industrial electricity and automation. They provide complete solutions for HV and LV electrical installations, including the design, supply, and assembly of electrical control cabinets and distribution boxes. WISE ELEC serves sectors such as power generation, water treatment, cement plants, agribusiness, airports, oil and gas platforms, and heavy industries. Their services include programming protection relays, PLCs, HMIs, and full commissioning of electrical systems. HENTGES HENTGES is an international supplier active in Cameroon, offering low and medium voltage electrical equipment, includin...
