

Electric distribution box manufacturers near East Africa

AI Overview

Kenya hosts local manufacturers of electrical distribution boxes, while South African companies also supply products across East Africa. Local Manufacturers in Kenya

Kenmet Ltd: Based in Kenya, Kenmet Ltd manufactures durable and standard electrical distribution boxes, including distribution boards, panel boards, and breaker panels. Their products are designed for various applications such as factories, residences, shopping centers, and office blocks. They ensure compatibility with bus bars, fuse links, switches, bypass equipment, and residual current detectors, emphasizing safety and ease of installation.

Regional Suppliers Serving East Africa

Several South African manufacturers supply electrical distribution boxes and enclosures across Africa, including East Africa:

- Golnix:** Produces low voltage polyethylene, glassfibre, and steel metering and distribution kiosks and enclosures. They supply throughout Africa, including East African countries.
- Twodigits Trading (Pty) Ltd:** Offers domestic and industrial distribution boards, including surface, flush, and floor-mounted options, with weatherproof enclosures rated from IP44 to IP65.
- PPS Power Process Systems:** Manufactures electrical distribution boards, kiosks, boxes, and LV switchgear. They provide custom solutions and stock products, delivering across Africa with ISO 9000 certification for quality and safety.

Considerations for Procurement

When sourcing distribution boxes in East Africa:

- Material and durability:** Options include mild steel, stainless steel, DMC/fibreglass, and polyethylene.
- Standards compliance:** Ensure products meet local electrical safety standards.
- Customization:** Many manufacturers offer tailored solutions for specific load requirements or building types.
- Availability and delivery:** Regional suppliers like PPS and Golnix can provide faster delivery and support across East Africa. By combi...
