

# High-tech Large Span Cable Tray Manufacturer

## AI Overview

Leading manufacturers of high-tech large span cable trays include Shandong Hongfeng, Canhope Steel, and Tianhong Cable Tray, offering durable, customizable, and heavy-duty solutions for industrial and commercial projects.

**Key Manufacturers and Offerings**

**Shandong Hongfeng Import and Export Co., Ltd.** Largest cable tray manufacturer in China with over 265 employees and annual sales exceeding RMB 450 million. Offers wire mesh, trough, trapezoidal, large-span, and composite cable trays made from stainless steel, aluminum, copper, and fiberglass. Products are customizable for communication, factory construction, solar, and thermal power projects. Certified with ISO 9001, SGS, and CE, ensuring high-quality standards.

**Canhope Steel** Specializes in heavy-duty large span cable trays for industrial and commercial electrical systems. Trays are made from high-strength galvanized steel or stainless steel, providing excellent load-bearing capacity and corrosion resistance. Features include ladder type, perforated, and solid bottom designs, modular construction for easy installation, and CNC, laser, and robotic manufacturing for precision. Ideal for power plants, tunnels, subways, petrochemical projects, and large industrial facilities.

**Shandong Tianhong Electric Power Technology Co., Ltd.** Founded in 2006, with over 20 years of expertise in R&D, production, and global supply of cable tray systems. Offers perforated trays, cable ladders, trunking, strut channels, and fittings with OEM & ODM services. Factory equipped with automated production lines for efficient manufacturing and consistent quality. Applications include power plants, data centers, commercial buildings, and infrastructure projects, with powder-coated surfaces for corrosion resistance and aesthetic appeal.
