

Huijue Optical Cable Supplier

AI Overview

Shanghai Huijue Network Communication Equipment Co., Ltd is a leading manufacturer and supplier of optical cables and telecom products, with extensive production facilities and a wide product range.

Company Overview Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network) was established in 2001 and is headquartered in Shanghai, China. The company specializes in telecom and communication products, including fiber optic cables, network cabinets, and patch cords. Their headquarters houses the R&D center, technical center, prototype department, and sales office, covering over 10,000 square meters, ensuring strong technical support and innovation capabilities.

Production Facilities Huijue operates a mass production factory of 50,000 square meters in Jiangsu province, primarily focused on metal precision production, assembly of cabinets, and optical fiber products. This large-scale facility allows them to handle high-volume orders and maintain consistent quality standards.

Product Range Huijue offers a comprehensive range of products for telecom and networking applications, including: Fiber optic cables for indoor and outdoor use, Fiber optic patch cords and assemblies, Telecom cabinets and enclosures, Networking accessories and custom cable solutions. Their products are designed to meet industrial standards and are suitable for telecom networks, data centers, and large-scale communication projects.

Supplier Network and Wholesale Options Huijue provides bulk supply and wholesale options for fiber optic cables and related products. Verified suppliers and distributors offer competitive pricing and support for large-scale procurement, making them suitable for both domestic and international clients.

Key Advantages Established experience: Over 20 years in the telecom and optical cable industry. Large-scale production: Capable of handling high-volume orders efficiently. Technical expertise: Strong R&D and prototype capabilities. Custom solutions: Ability to produce tailored fiber optic assem...
