

Indoor Distribution Box Product Model

AI Overview

Indoor distribution boxes are available in various models, including EKDB10, LSA-PLUS® series 500 (510, 520, 530, 540), and Briticom Metal Splicing Boxes, each designed for specific indoor electrical or fiber optic applications.

EKDB10 SeriesThe EKDB10 is an IP65-rated waterproof distribution box made of durable PC plastic, suitable for indoor and outdoor use. It comes in 4–39 ways with single, double, or triple layers, making it ideal for industrial, commercial, and photovoltaic applications. The box meets IEC standards (IEC60529, IEC62262:2021, IEC60695-2-10:2013) for reliable electrical protection and mechanical strength.

LSA-PLUS® Indoor Distribution BoxesThe LSA-PLUS® series 500 includes models 510, 520, 530, and 540, designed for indoor use with lightweight steel enclosures. These boxes support capacities of 340, 680, 1020, or 1340 pairs and feature stainless steel backmount frames, removable and lockable doors with 180-degree access, and options for overvoltage protection. They are compatible with a wide range of LSA-PLUS® modules and accessories, making them suitable for structured cabling and telecommunication networks.

Briticom Indoor Metal Splicing Distribution BoxesThe Briticom Metal Splicing Distribution Boxes are designed for fiber optic networks, including CATV, FTTH, LAN, WAN, and MAN applications. They provide easy access and distribution of fiber optic connections and are available in three sizes to accommodate different capacities. These boxes are ideal for mini-network terminal distribution and indoor fiber management.

Key ConsiderationsWhen selecting an indoor distribution box, consider the following:

- Material:** Plastic (lightweight, corrosion-resistant) or metal (durable, high mechanical strength)
- Capacity:** Number of circuits or fiber pairs supported
- Mounting:** Wall-mounted or floor-standing depending on space and accessibility
- IP Rating:** Ensures protection against dust and moisture, especially for boxes near humid or industrial environments
- Compatibility:** Check for module or acc...
