

Jamaican cable tray support production

AI Overview

Jamaica has a well-established cable tray manufacturing sector, offering high-quality, customizable solutions for industrial and commercial applications. Key Manufacturers and Capabilities Several companies in Jamaica specialize in cable tray production, providing a range of sizes, materials, and configurations: Jeetmull Jaichandlall (P) Ltd. operates a modern manufacturing facility with advanced technology, producing cable trays in various sizes, shapes, and colors. Their products are designed to meet industry standards and are suitable for multiple sectors, offering durability, impact resistance, and excellent ventilation for electrical systems. Cable House, established in 1983, manufactures and supplies cable trays along with related products like hose clamps, cable ties, and crimping tools. They provide customized solutions and emphasize high durability, reliable performance, and long service life. Brilltech Engineers and other suppliers offer cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed for enhanced safety, airflow, and cable protection, supporting efficient installation and maintenance. Micro Sheet Crafts provides modular and customizable cable tray solutions, ensuring quality through stringent testing and modern fabrication techniques. They focus on timely delivery and client satisfaction, making them a prominent supplier in Jamaica. Materials and Product Features Cable trays in Jamaica are typically manufactured from high-grade steel, stainless steel, and fiberglass, offering: Durability and load-bearing capacity to withstand heavy cables and environmental stress Perforated designs for improved airflow and cooling Customizable sizes and configurations to fit specific project requirements Compliance with industry standards for safety and regulatory adherence Applications Cable trays produced in Jamaica are widely used for: Organizing and supporting electrical cables in industrial and commercial installa...
