AI Overview

Some leading cable tray manufacturers in Kuwait include Alnafaa Group, Bahman Group, Almeer Industries, and Keplic, offering a wide range of cable management solutions. Alnafaa Group specializes in GRP and FRP cable trays, including ladder and perforated types. Their products are designed to be fire retardant, corrosion-resistant, UV-resistant, and electrically insulated, making them suitable for industrial and commercial projects. They also provide a comprehensive range of fittings, coupler plates, expansion plates, cover clamps, and cable ducts in various sizes and configurations. Alnafaa Group is recognized as a pioneer in FRP/GRP tray manufacturing in Kuwait, catering to both small and large-scale projects with custom solutions (Alnafaa Group). Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait, located in the Shuwaikh Industrial area. They produce GI cable trays, cable trunking, and cable ladders, along with enclosures and distribution boards. Their products are widely used in government projects, hospitals, and universities, and the company has over six decades of experience in the local market. Bahman Group emphasizes high-quality, cost-effective solutions for both local and GCC markets (Bahman Group). Almeer Industries is a market leader in designing and manufacturing high-quality cable trays for commercial and industrial construction. They focus on flexible cable management systems that allow easy installation and future modifications, supporting both power distribution and communication cables. Continuous investment in technology and infrastructure ensures their products meet modern standards (Almeer Industries).
