

Latvian cable tray manufacturing plant

AI Overview

Latvia hosts several cable tray manufacturers, including Brilltech Engineers Pvt. Ltd, Cable House, and Jeetmull Jaichandlall (P) Ltd, offering a wide range of cable management solutions for industrial, commercial, and residential sectors. Key Manufacturers in Latvia Brilltech Engineers Pvt. Ltd is a prominent cable tray manufacturer in Latvia, producing electrical cable trays, ladder cable trays, PVC cable trays, mild steel trays, perforated trays, and stainless steel trays. Their in-house facility uses advanced machinery to ensure high-quality, customized solutions for various industries, including construction, automotive, and electrical sectors. They also export galvanized cable trays internationally, emphasizing durability and corrosion resistance. Cable House, established in 1983, is another recognized manufacturer supplying cable trays, hose clamps, cable ties, crimping tools, and industrial connectors. They provide customized solutions and maintain strict quality control to ensure reliable and long-lasting products. Cable House serves both national and international markets, highlighting Latvia's role in global cable tray supply. Jeetmull Jaichandlall (P) Ltd specializes in wire mesh cable trays, offering products in various sizes, shapes, and configurations. Their facility in Latvia uses modern equipment and technology to produce high-quality wire mesh trays suitable for construction, mining, automotive, and agricultural applications. They focus on customization to meet specific industry requirements. Industry Overview Latvia is a notable player in the global cable tray market, exporting significant volumes of cable trays worldwide. The country's manufacturers provide a variety of products, including galvanized, perforated, ladder, PVC, and wire mesh cable trays, catering to diverse industrial and commercial needs. Latvian factories emphasize quality, durability, and compliance with international standards, making them reliable sources for both domestic and international buyers. Conclusion For sourcing cable trays from Latvia,...
