

Malaysia's Leading Cable Tray Factory

AI Overview

Leading cable tray manufacturers in Malaysia include SAN Engineering, Array Metal, U-LI, Sun Energy System, and Metal Perforators (M) Sdn Bhd, offering a wide range of high-quality cable management solutions. Key Manufacturers and Offerings

SAN Engineering specializes in hot-dip galvanized (HDG) cable trays, stainless steel, and aluminum alloy trays with corrosion-resistant finishes such as zinc, PVC, and epoxy. Their products comply with local and international standards, including NEMA VE-1 and VE-2, and are designed for efficient cable routing, maintenance access, and long-term durability. **Array Metal** provides a comprehensive range of cable support systems, including cable trays, ladders, trunking, and wire trays. They are known for competitive pricing, international distribution, and reliable delivery, serving markets in Singapore, Australia, and the United States. **U-LI** manufactures perforated cable trays with integrated coupling systems, offering multiple tray profiles and load ratings that meet NEMA VE-1 standards. Their designs focus on fast installation and adaptability to various construction requirements. **Sun Energy System (UMI Cable Support Solution)** produces metal cable ladders, trays, and trunking using materials like electro zinc galvanized steel, pre-galvanized steel, mild steel, and stainless steel. Their products are suitable for heavy-duty applications, providing robust protection for power, data, and communication cables while ensuring compliance with NEMA and CSA standards. **Metal Perforators (M) Sdn Bhd** (part of ATTA Global Group Bhd) manufactures cable trays, ladders, trunking, ducting, and unistrut channels using stainless steel, mild steel, galvanized, and epoxy-coated materials. They serve construction, oil & gas, infrastructure, and manufacturing sectors, offering custom solutions and heavy-duty support systems.

Considerations for Choosing a Manufacturer

Material and Finish: Select based on environmental conditions (e.g., corrosion resistance for outdoor or industrial use). **Compliance:** Ensure products me...
