

Malta Explosion-proof and Corrosion-resistant Distribution Box Manufacturer

AI Overview

Atex Delvalle, Fabian Enterprises Ltd, R. STAHL, and Cortem Group provide certified explosion-proof and anti-corrosion distribution boxes suitable for Malta and international markets. Key Manufacturers and Suppliers

Atex Delvalle offers custom-made Ex local control stations and distribution boxes in stainless steel (AISI 304L and 316L) or GRP, designed for hazardous areas and extreme outdoor conditions. Their products are ATEX and IECEx certified, fully configurable, and suitable for motor starters, switches, and grounding devices . Fabian Enterprises Ltd, based in Malta, supplies a range of enclosures and boxes, including metal and plastic options. While their catalog focuses on general electrical enclosures, they can provide solutions for industrial and electromechanical applications . R. STAHL specializes in terminal and junction boxes for hazardous areas, offering both standard and custom-made solutions. Their products are certified for global installation standards and ensure safe energy distribution in explosive atmospheres . Cortem Group manufactures tailored explosion-proof panel boards and distribution boxes in stainless steel, aluminium alloy, or glass-reinforced polyester. Their enclosures are suitable for marine and corrosive environments, can be fully wired, and are available in Ex d, Ex de, and watertight configurations for indoor or outdoor use in chemical, petrochemical, and refining plants .

Material and Certification Considerations

Materials: Stainless steel (AISI 304/316), aluminium alloy, glass-reinforced polyester (GRP)

Certifications: ATEX, IECEx, Ex d, Ex e, Ex de

Applications: Hazardous areas, corrosive environments, outdoor installations, chemical and petrochemical plants

Recommendations

For Malta-based projects, Fabian Enterprises Ltd can provide local support and supply, while Atex Delvalle, R. STAHL, and Cortem Group offer hig...

Ex Junction Boxes and Atex Enclosures · Atex Delvalle

Our explosion protection Ex enclosures and equipment are comprehensive and widely configurable. Reliable in use and convenient to install, their overall quality provides cost efficiency, and most of all,

Explosion proof distribution box

Find reliable explosion proof distribution boxes for safe and efficient electrical control in hazardous environments. Shop our durable, IP66-rated solutions.

Explosion-Proof Distribution Boxes & Panels

Engineered for extreme environments, our explosion-proof distribution box features: Military-Grade Enclosure – Heavy-duty cast aluminum/stainless steel

Ex-Junction boxes and terminal enclosures ATEX

The sturdy CEAG junction boxes made of light metal are used to distribute and conduct electricity in Zone 1 and Zone 2 areas with no risk of explosion. Optionally, mantle terminals with a terminal range

Explosion Proof Products for Hazardous Area | ATEX

With a team of senior engineers, we offer over 100 series and 1,000+ specifications of explosion-proof products, meeting the needs of various industries such as
