

Manufacturers of waterproof electrical distribution boxes in Greece

AI Overview

Key manufacturers of waterproof electrical distribution boxes in Greece include Kassinakis, Delvalle Box, and HM POWER, offering IP65-rated enclosures for outdoor and industrial applications. Notable Manufacturers Kassinakis produces weatherproof electrical boxes suitable for external installations, protecting against rain, sunlight, and environmental hazards. Their enclosures are made from stabilized thermoplastic, are self-extinguishing, heavy metals-free, and halogen-free, with excellent insulating properties. They meet EN 60670 standards and offer IP65/54 sealability, with lids that are either snap-fit or screwed, and customizable conduit entry points for flexible installation. Delvalle Box specializes in outdoor heavy-duty electrical enclosures with waterproof capabilities. They provide engineering support to select the most suitable solutions for specific projects, ensuring compliance with international standards and long-term reliability in outdoor or industrial environments. HM POWER offers high-quality outdoor power distribution boxes designed for Greece's diverse environmental conditions, including coastal salt exposure, high UV radiation, and seismic activity. Their products serve industrial zones, tourism infrastructure, ports, and renewable energy installations, providing corrosion-resistant and robust enclosures for continuous operation. Applications Tourism and hospitality: Hotels, resorts, and recreational facilities in Crete, Rhodes, Santorini, and Mykonos require reliable waterproof distribution boxes to ensure uninterrupted service. Industrial and manufacturing: Facilities in Athens, Thessaloniki, and Patras use these enclosures for heavy-duty electrical distribution. Ports and maritime: Specialized marine-grade boxes are used in Piraeus, Elefsina, and Syros for shore power systems and electrified dock infrastructure. Renewable energy: Solar farms and wind parks across Greece u...
