

Mobile waterproof distribution box and explosion-proof plug for construction sites

Overview

Featuring multiple 16A CEE sockets, built-in circuit breakers, and durable polycarbonate construction, it's ideal for construction sites and industrial environments. Pairing E-abel distribution boxes with Weipu industrial waterproof plugs creates a rugged, IP67-rated temporary electrical solution that resists weather, prevents accidental contact, simplifies field wiring, and helps you meet safety compliance. This article explains real risks, design choices. Temporary construction power systems are essential for delivering safe and reliable electricity across dynamic job sites. □Safe and reliable□□The protection rating for the socket is IP44. Power distribution boxes can meet all sorts of unique power requirements while maintaining safety and convenience, and they can easily fit. VIOX's Mobile Waterproof Socket Box offers robust outdoor power distribution with IP65/IP67 protection.
