

PoE switch manufacturer

AI Overview

As of January 2026, some of the top manufacturers of Power over Ethernet (PoE) switches include Allied Telesis, Proscend Communications, and Moxa Inc. Top PoE Switch Manufacturers

Allied Telesis: Known for its reliable networking solutions, Allied Telesis offers a range of PoE switches suitable for various applications, including enterprise and industrial environments.

Proscend Communications Inc.: This company specializes in industrial-grade PoE switches that are designed for high-performance networking in challenging environments.

Moxa Inc.: Moxa provides a wide array of PoE switches that cater to industrial automation and networking needs, ensuring robust performance and reliability.

Ewind: Ewind offers a variety of PoE switches, including commercial and industrial models, and is known for its innovative solutions in the networking field.

NVT Phybridge: This manufacturer focuses on long-reach PoE solutions, providing switches that enhance IP technology deployment over existing cabling infrastructure.

UNIPOE: Specializing in IoT applications, UNIPOE offers a range of PoE switches that include unmanaged and managed options, catering to various networking needs.

Antaira Technologies: Known for its industrial PoE switches, Antaira provides reliable power and network connectivity solutions for harsh environments.

Applications of PoE Switches

PoE switches are essential for powering devices such as IP cameras, VoIP phones, and wireless access points without the need for separate power cables. This technology simplifies installations and enhances flexibility in network design, making it ideal for both commercial and industrial applications.

These manufacturers are recognized for their quality, reliability, and innovation in the PoE switch market, making them suitable choices for enhancing network performance.

Article Content

PoE Switch Manufacturers, Industrial Switch

As a premier PoE Switch Manufacturers & Industrial Switch OEM/ODM Factory! Our cutting-edge technology and expert craftsmanship set the standard in the industry.

Newbridge

Newbridge founded in 2004 in Shenzhen, Newbridge Communication Co., Ltd is a manufacturer of POE Switches, Industrial Ethernet Switch, HDMI Extender,

Switch Pro 48 PoE

A 48-port, Layer 3 switch capable of high-power PoE++ output.

Switch Flex Mini

A compact, 5-port, Layer 2 switch that can be powered with PoE or a 5V USB-C adapter.

PoE Switch Manufacturer & Supplier | SYPOE

Explore SYPOE PoE switches for IP cameras, CCTV, wireless APs and business networks. Factory-direct PoE switch manufacturer with OEM/ODM support.

PoE Switches

We provide a wide range of PoE/PoE+/PoE++ switches with up to 90 W output per port to deliver high-speed data transmission while powering high-power devices over long distances. With an industrial

HMS Networks

HMS creates products that enable industrial equipment to communicate and share information with software and systems. In short: Hardware Meets Software™.

Top Power-over-Ethernet (PoE) Switch Manufacturers in Germany

Discover all relevant Power-over-Ethernet (PoE) Switch Manufacturers in Germany, including Hirschmann Automation and Control and Welotec GmbH

PoE Switch | Industrial Ethernet Switch Manufacturer

CTC Union is a leading Taiwanese manufacturer specializing in telecommunication products such as L2 Ethernet switches, transponders, and industrial Ethernet switches, converters, and injectors.

BV Security

Security Solutions for Everyone! BV Security offers a wide selection of PoE Switches, PoE Injectors, Hard Drives, Security Cameras and professional installation services.

Cisco Catalyst 3750 Series Switches Data Sheet

For mid-sized organizations and enterprise branch offices, the Cisco Catalyst 3750 Series Switches ease deployment of converged applications and

PoE Switches and Industrial Ethernet Switches

X-switches is a professional manufacturer of high-quality PoE switches and industrial Ethernet switches, offering robust, reliable networking solutions for

16-Port Gigabit Desktop/Rackmount Switch

TP-LINK Green Technology This new generation TL-SG1016D Gigabit Switch features the latest innovative energy-efficient technologies that can greatly

Black Box

Black Box provides cutting-edge IT solutions and technology products to businesses worldwide, ensuring innovative and reliable services for global digital transformation.

NanoSwitch

An outdoor, 4-port Gigabit switch with up to 4 Gbps total, non-blocking line rate support.

UniFi PoE Switch Datasheet

Auto-Sensing IEEE 802.3af/at PoE Build and expand your network with Ubiquiti Networks® UniFi® Switch, part of the UniFi line of products. The UniFi Switch is a fully managed, PoE+ Gigabit switch,

UniFi U7 In-Wall

Wall-mounted WiFi 7 AP with 4 spatial streams and an integrated 2.5 GbE PoE switch designed for hospitality environments.

TRENDnet 8-Port Gigabit PoE+ Switch, 65W PoE

TRENDnet's 8-Port Gigabit PoE+ Switch, model TPE-TG83, reduces equipment and installation costs by delivering data and power over existing Ethernet cables.

UniFi Pro Max 24 PoE

A 24-port, Layer 3 Etherlighting™ switch capable of high-power PoE++ output.

Hardware documentation

Explore Luxonis hardware documentation for detailed guides on camera sensors, deployment, environmental testing, and device specifications.

UniFi Dream Router 7

Desktop 10G Cloud Gateway with integrated WiFi 7, PoE switch, microSD storage, and full UniFi application support.

NVT Phybridge Power over Ethernet Networking Solutions

NVT Phybridge is a global leader in long-reach Power over Ethernet (PoE) switches and networking solutions to enable IP and IoT endpoints.

7 Power-over-Ethernet (PoE) Switch Manufacturers in 2026

This section provides an overview for power-over-ethernet (poe) switches as well as their applications and principles. Also, please take a look at the list of 7 power-over-ethernet (poe) switch

Cisco Catalyst 9200 Series Switches Data Sheet

This data sheet describes the benefits, specifications, and ordering information for the Cisco Catalyst 9200 Series Switches.
