

Price List of Bridge Girder Materials in Myanmar

AI Overview

Bridge girder materials in Myanmar, primarily steel, range from approximately \$854 to \$2,037 per ton depending on the supplier and quality, with local distributors providing certified steel products for construction. Import and Export Prices The average import price of bridges and bridge sections into Myanmar was \$1,337 per ton in 2022, showing a 7.6% increase from the previous year, with significant variation depending on the country of origin. For example, Israel supplied at \$2,037 per ton, while India offered \$854 per ton. Bridge exports from Myanmar averaged \$1,494 per ton in 2022, with Japan being the highest-priced market at \$1,803 per ton and Thailand among the lowest at \$914 per ton. Total bridge imports in 2022 were 27,000 tons, valued at \$36 million, while exports were 280 tons, valued at \$418,000. Local Suppliers and Distributors Several Myanmar-based companies supply steel and construction materials suitable for bridge girders: Steel King Company Limited Specializes in steel distribution and construction materials. Provides mill certificates and lab certificates to ensure quality. Offers door-to-door delivery and banking support for transactions. Millcon Thiha Limited Supplies H-beams, sheet piles, deformed bars, wire rods, and GI pipes, all commonly used in bridge girders. Partners with Millcon Steel in Thailand, ensuring high-quality steel products. Provides Milltest Certificates (foreign) and local lab certificates for verification. Serves major regions including Yangon, Mandalay, Naypyitaw, Taunggyi, Mawlamyine, and Bago. Considerations for Procurement Prices vary based on steel grade, girder type, and supplier country. Certified steel with mill and lab testing is recommended for structural safety. Local distributors often provide logistics support, which can affect the final delivered cost. Tender opportunities for bridge construction in Myanmar are...
