

# Price of Distribution Box Flat Cover Plate

## AI Overview

Flat distribution box cover plates typically range from \$2 to \$15 depending on size, material, and supplier. Online Pricing Examples AliExpress offers flat-type home distribution box cover plates for 10, 12, 15, 18, or 21 positions, with prices starting around \$2–\$5 per unit, often including free worldwide shipping. Amazon lists various electrical box cover plates, including metallic and plastic options, with prices generally ranging from \$3 to \$15, depending on size, finish, and brand. HD Supply and Shelden Strut provide metal and weatherproof options for indoor and outdoor use, with prices typically \$5–\$12 for standard flat steel or blank covers. Factors Affecting Price Material: Plastic covers are usually cheaper, while metal or weatherproof covers cost more. Size and Gang Count: Single-gang covers are less expensive than multi-gang or larger distribution box covers. Special Features: Weatherproof, corrosion-resistant, or UL-listed covers may increase the price. Shipping and Supplier: International shipping or premium suppliers can affect the final cost. For most residential applications, a standard flat plastic or metal cover plate for a single or double gang box will cost around \$3–\$8, while larger or specialized covers may reach \$12–\$15. Checking multiple suppliers online can help find the best price and shipping options.
