

Price of Trapezoidal Cable Tray Fittings

AI Overview

Trapezoidal cable tray fittings typically range from \$15 to \$80 per piece, depending on size, material, and manufacturer. Overview Trapezoidal cable tray fittings, such as trapeze support brackets, are used to support cable trays and ladders in commercial and industrial installations, providing robust and organized cable management. They are available in various sizes, including 100mm, 150mm, and 225mm widths, and are often prefabricated and ready-to-use to reduce installation time and labor costs. Materials commonly include pre-galvanized steel, stainless steel, or powder-coated metals, which influence durability and price. Price Range Small to medium brackets (100–150mm): Approximately \$15–\$35 per piece, suitable for light to medium cable loads. Larger or heavy-duty brackets (225mm and above): Approximately \$40–\$80 per piece, designed for heavier cable trays or industrial applications. Custom or made-to-order fittings: Prices may vary significantly depending on specifications, material, and manufacturer, sometimes exceeding \$100 per unit. Factors Affecting Cost Material: Stainless steel and corrosion-resistant coatings increase cost compared to standard galvanized steel. Size and Load Capacity: Larger brackets or those designed for heavy-duty trays are more expensive. Prefabrication and Ease of Installation: Ready-to-use fittings that reduce labor time may carry a premium. Manufacturer and Brand: Premium brands like OBO or Channel and Tray may charge higher prices due to quality and compliance with standards. Purchasing Tips Compare suppliers for bulk discounts if purchasing multiple fittings. Ensure compatibility with your cable tray system, especially if using standardized fittings like those from OBO. Consider installation efficiency; prefabricated trapeze brackets can reduce labor costs even if the unit price is slightly higher. By considering these factors, you can estimate the total cost for your project and select the most suitable trapezoidal cable tray fittings for your installation.
