

Reputable Canadian electrical distribution box manufacturer

AI Overview

In Canada, electrical distribution boxes are supplied by major distributors such as Guillevin, EB Horsman & Son, Gescan, EECOL Electric, and Westburne, offering brands like Eaton, ABB, IPEX, and Burndy. Key Canadian Distributors

Guillevin has been a leading electrical distributor in Canada since 1906, providing a wide range of electrical products including distribution boxes, circuit breakers, and raceways across commercial, industrial, and residential markets . EB Horsman & Son, established in 1900, serves Western Canada with quality electrical products and fast delivery, including professional-grade distribution equipment . Gescan, a division of Sonepar Canada, operates 28 branches in Western Canada, supplying electrical contractors with distribution boxes and related components for residential, commercial, and industrial projects . EECOL Electric offers professional-grade electrical products, including distribution boxes, lighting, automation, and safety equipment, with nationwide coverage . Westburne is a nationwide leader in electrical supply, carrying thousands of products including distribution boxes from top brands such as Eaton, ABB, IPEX, and Burndy, with over 100 locations across Canada .

Popular Brands Available in Canada

- Eaton – Known for durable electrical panels and distribution boxes suitable for commercial and industrial applications .
- ABB – Offers a wide range of electrical distribution solutions, including modular panels and enclosures .
- IPEX – Specializes in electrical enclosures and conduit systems for residential and commercial use .
- Burndy – Provides connectors and distribution components compatible with Canadian electrical standards .

Considerations for Selection

When choosing a distribution box in Canada, consider:

- Compliance with Canadian Electrical Code (CEC)
- Indoor vs. outdoor rating (NEMA or IP standards)
- Capacity and modularity...
