

Saudi Arabian Cable Tray Manufacturers and Production Companies

AI Overview

Key manufacturers of cable trays in Saudi Arabia include Bahra Electric, Al-Fareed Stars, Ashoury Cable Tray, and Integrated Steel Plant, offering a variety of products tailored to different industrial needs.

- Bahra Electric** is a prominent manufacturer specializing in high-quality cable tray systems. They provide customized solutions made from materials like steel and aluminum, designed to withstand harsh environmental conditions. Their products are suitable for various applications, including power plants and telecommunications.
- Al-Fareed Stars** is well-known for producing a wide range of cable trays that meet Saudi, Gulf, and international specifications. Established in Riyadh, they focus on high-quality manufacturing and offer products suitable for both small and large-scale projects.
- Ashoury Cable Tray** is recognized for its reliable cable management systems, including both open and closed cable trays. Their products ensure safety and organization for electrical wiring, catering to various sectors such as construction and telecommunications.
- Integrated Steel Plant** manufactures a diverse range of cable trays, including powder-coated, stainless steel, and galvanized options. They emphasize quality and adhere to strict manufacturing standards, ensuring their products meet industrial requirements.
- Other Notable Manufacturers**
 - Wahah Electric Supply Company (WESCOSA)**: Offers a variety of cable management systems, including cable trays and trunking systems.
 - Power Solution Industries (PSI)**: Provides cable management solutions across multiple sectors, including industrial and marine applications.
 - Mideast Cable Support Solutions**: Specializes in producing and distributing various cable management systems.

These manufacturers play a crucial role in supporting Saudi Arabia's growth...
