

Singapore-made mesh cable tray manufacturer

AI Overview

Key manufacturers of mesh cable trays in Singapore include Ferrotech, Foresight Metal Engineering, Legrand (Cablofil), RS Singapore, and Voltec.

Leading Manufacturers and Suppliers

- Ferrotech** offers a wide range of cable trays, including wire mesh trays, perforated trays, ladder trays, and FRP trays suitable for commercial and industrial applications, providing efficient cable management solutions.
- Foresight Metal Engineering Pte Ltd** specializes in metal cable trays, trunkings, and ladders under their FME brand. They provide both standard and customized solutions for industrial and commercial projects, ensuring compliance with industry standards.
- Legrand Singapore (Cablofil)** is a global leader in wire mesh cable trays. Their Cablofil range features a 90% open structure for better ventilation, easy inspection, and reduced dust accumulation. They offer flexible configurations, quick-fix systems, and multiple finishes including stainless steel options, suitable for harsh environments.
- RS Singapore** distributes high-quality cable trays from brands like Cablofil, Legrand, and StarTech.com. They provide wire mesh trays, steel trays, and accessories such as cable markers and binders, with options for next-day delivery.
- Voltec** manufactures premium cable trays, ladders, and trunkings in Singapore, offering innovative solutions for construction and industrial projects. They focus on high-quality materials and customizable designs to meet diverse infrastructure needs.

Considerations When Choosing a Manufacturer

- Material and Finish:** Stainless steel or coated trays for corrosion resistance.
- Load Capacity:** Ensure the tray supports the weight and volume of cables.
- Standards Compliance:** Look for IEC, ABS, DNV, or local Singapore regulations.
- Customization:** Some manufacturers offer tailored solutions for specific project requirements.
- Installation Support:** Check if the supplier provides ac...
