

Singapore-specific power distribution box manufacturer

AI Overview

Leading manufacturers of power distribution boxes in Singapore include Actenn, Asiatic Group, MATRIX Switchgear Design, and Nijsha Enterprise. Key Manufacturers

1. Actenn Actenn specializes in custom-built electrical box assemblies for industrial, commercial, and residential applications. Their products integrate circuit breakers, wiring, and power controls into durable enclosures made from stainless steel, aluminum, or corrosion-resistant plastics. Actenn emphasizes safety, reliability, and compliance with international standards, offering tailored solutions for manufacturing, automation, energy, and residential sectors.
2. Asiatic Group (Hensel Products) Asiatic Group distributes Hensel electrical installation and power distribution systems, including distribution boards and junction boxes. Their enclosures are made from thermoplastic polystyrene and polycarbonate, offering IP65 to IP67 protection, UV resistance, corrosion resistance, and flame retardancy. These products are suitable for dusty, humid, or harsh environments, ensuring safe and reliable low-voltage energy distribution.
3. MATRIX Switchgear Design Pte Ltd MATRIX Switchgear Design manufactures low-voltage modular switchgear, standard switchboards, switch panels, and sheet metal enclosures. They provide custom designs meeting IEC 60439-1, EN 60439-1, and SS 293 standards. MATRIX emphasizes quality management (ISO 9001:2008 certified) and workplace safety (bizSAFE Level 3), offering solutions for industrial and commercial power distribution.
4. Nijsha Enterprise Nijsha Enterprise produces heavy-duty power distribution boxes for commercial and industrial use. Their modular designs allow easy expansion and customization, with advanced safety features such as ground fault and circuit breaker protection. The enclosures are built to withstand demanding environments and can...
