

Somali electrical distribution box manufacturers

AI Overview

In Somalia, electrical distribution boxes are supplied by local companies like BECO and WESCO, as well as international brands such as Schneider Electric, ABB, Legrand, and DOHO Electric.

Local Suppliers and Distributors

BECO: A major electricity provider in South Central Somalia, BECO operates extensive distribution networks and supplies distribution panels, smart units, and concrete poles for electricity distribution in residential and commercial areas.

WESCO: Focused on improving electricity reliability in Mogadishu and surrounding regions, WESCO provides distribution panels, smart and digital units, and works to standardize installations for safety and efficiency.

Al Shamali & Waris Group: Supplies a range of enclosures and distribution boxes that protect electrical equipment from water, dust, and environmental hazards.

Umeme Africa Engineering: Offers various electrical products including distribution boards, split meter boxes, transformers, and mini-substations, with agreements with multiple manufacturers.

International Brands Available

Several globally recognized brands are trusted for their quality, safety, and innovative features:

Schneider Electric: Known for smart technology, modular designs, and energy-efficient solutions.

ABB: Offers globally certified distribution boxes with strong safety and digital integration features.

Legrand: Provides stylish, modular systems suitable for residential and commercial installations.

DOHO Electric: Focuses on energy-saving designs and reliable electrical protection.

ONESTOP Electric Manufacturer: Customizable solutions for size, material, and features to meet specific project needs.

Rockwell Automation: Integrates digital monitoring and control for industrial applications.

Key Features to Consider

When selecting a distribution box in Somalia, consider:

Safety certifications: UL, CE, ISO, TUV, and ROHS ensure compliance with i...
